THE GAME

Yie Ar Kung-Fu is a test of skill development in the traditional Martial Arts. It features Oolong in his attempt to become a Grandmaster in the ancient skills in honour of his father, a kung-fu master before him.

Your ultimate goal is to become a grand-master but to achieve this you must defeat a variety of opponents each more deadly than the last. They are armed with differing skills and weapons and must be overcome with a combination of 10 different attack moves.

The controls are by means of joystick or keyboard (which is user definable) and the game has a one or two player option.

The fun and excitement of Kung-Fu is about to begin as you face your foe. Your honourable opponents are...

BUCHU – A huge kung-fu fighter who can attack by flying through the air.

STAR – A beautiful girl warrior who is expert at throwing deadly stars or SHURIKEN.

NUNCHA – Master of the NUNCHAKU – beware his reach.

POLE – Attacks with the ancient rod or BO.

CLUB – ...This fighter is armed with a shield to deflect your blows and a club to strike back.

SWORD – Sword carrying apponent, a firesome and

TONAMI'S YU

deadly foe.

TONFUN – Skilled in the art of fighting with flailing sticks or TONFA.

BLUES – The Kung-Fu master himself, has all the skills and moves of Oolong, but faster. If you can win this final battle you truly will become a Grand Master.
